MEMORANDUM FOR Commander, Combined Joint Task Force Operation Inherent Resolve, ATTN: COL Gaines-Edmond, APO AE 09306

SUBJECT: Shoulder Sleeve Insignia for the United States Army Element of Combined Joint Task Force Operation Inherent Resolve

1. A shoulder sleeve insignia is authorized effective this date for wear by the United States Army Element of Combined Joint Task Force Operation Inherent Resolve. The description and symbolism of the design are as follows:

**DESCRIPTION**

On a buff circular shaped embroidered item 3 inches (7.62 cm) in diameter, a green palm wreath with the yellow hand guards and pommels of two diagonally crossed scimitars surmounting the base of the palm wreath with white blades, points up, between the blades three yellow five pointed stars, all encircled by a dark blue 1/8 inch (.32 cm) border.

**SYMBOLISM**

The palm wreath is a symbol of honor; the scimitars indicate the dual nature of the coalition-the defeat of ISIL and the restoration of stability to the area. The three stars indicate the command and are colored gold for excellence. Buff and flag blue denote the land, sea and air components of the military.

2. This authorization is in accordance with AR 670-1. A copy of this letter will become part of your permanent organizational history files.
