REFERENCE BLOCK 10e(2): Access to Intelligence Information (non-SCI)

The following guidelines concerning control and dissemination of intelligence information are based on DCID 6/6, 11 July 2001:

- a. Intelligence information released under this contract remains the property of the U.S. Government and may be withdrawn upon notice.
- b. The Contractor will maintain a record of all classified intelligence material released to your custody. Unclassified intelligence information will be treated as For Official Use Only (FOUO).
- c. All reproductions of intelligence material will be classified, marked, and controlled in the same manner as original(s).
- d. Prior to granting an employee access to intelligence materials, employees will be briefed on their obligation to comply with these procedures and will be debriefed when access to the material is terminated. A permanent list of all employees having had access to the intelligence materials during this contract will be maintained by the company and will be available for DSS inspection.
- e. The Contractor will not release intelligence material to any activity, employee, or other person not directly engaged in providing services under this contract unless specific written authorization for such release is received from the Government Contracting Activity (GCA). This prohibition precludes release without authority to another contractor, Government agency, private individual, or organization unless a contractual relationship exists in support of this contract. Specific written authorization for such release will be received from the US Army Research Development and Engineering Command Acquisition Center-AMSRD-ACC-CC - Katie Monks, Ph: 410-278-0773.
- f. The intelligence materials will not be released to foreign nations, non-U.S. citizens or U.S. citizens representing foreign entities except with specific written authorization from the GCA and USASMDC Foreign Disclosure Officer (FDO).
- g. Intelligence materials released to you will be destroyed upon contract completion unless the GCA requests the return of the materials; however, returned intelligence information will be sent to the attention of the contract technical monitor, address identified in Section H of the contract. In the event the contract is extended or a new similar contract requiring the released data is initiated, it is the responsibility of the contract monitor to effect an extension or document transfer with the GCA.

REFERENCE BLOCK 10j: For Official Use Only (FOUO) Information.

- a. Contractors may disseminate "For Official Use Only" information to their employees and subcontractors who have a need for the information in connection with this contract.
- b. Removal of the "For Official Use Only" marking can only be accomplished by the GCA. Request for public release of "For Official Use Only" shall be accomplished in accordance with Hem 12 of the DD Form 254-E.

- c. "For Official Use Only" information shall be stored in locked receptacles such as file cabinets, desk, or bookcases. When such internal security control is not exercised, locked buildings or rooms will provide adequate after-hours protection. During working hours, the information shall be placed in an out-of-sight location if the work area is accessible to persons who do not have a need for the information.
- d. "For Official Use Only" information may be sent via first-class mail or parcel post. Bulky shipments may be sent by fourth-class mail. Facsimile communications marked FOUO may be transmitted by non-secure terminals with the FOUO marking intact between U.S. Department of Defense, and other U.S. Government agencies, and U.S. Government support contractors of official purposes.
- e. When no longer needed, FOUO information may be disposed of by tearing each copy into pieces to preclude reconstructing, and placing it in a regular trash container.
- f. Unauthorized disclosure of "For Official Use Only" information does not constitute a security violation, but the GCA shall be informed of any authorized disclosure. The unauthorized disclosure of FOUO information protected by the Privacy Act may result in criminal sanctions.

REFERENCE BLOCK 11e: Receive and Generate Classified Material.

In the event that a security classification guide is superseded or replaced, it is the responsibility of the Contract Monitor to provide such guides to the Contractor.

The marking to identify derivative source on classified documents generated shall cite the appropriate Security Classification Guide, or otherwise shall cite the applicable derivative source material when classification is derived from source(s) other than the above security classification guides. All security markings shall be appropriately applied to comply with the NISPOM.

REFERENCE BLOCK 11 f: Access to U.S. Classified Information Outside the U.S., Puerto Rico, U.S. Possessions and Trust Territories.

This contract may require your company to have access to classified information in an overseas area. The specific oversea area(s) will be provided by the Contract Monitor or the Contracting Officer. Classified information or materials will remain under the direct control of the U.S. government while in an overseas area unless prior approval is granted by this command. Release of classified information to a foreign entity will be accomplished in accordance with Chapter 10, NISPOM.

REFERENCE BLOCK 11j: Have OPSEC Requirements.
