The Defense submitted a request to purchase an e-discovery software platform along with the required hardware and security components for a fully operational e-discovery system on 14 October 2016. The Convening Authority approved the Defense request, same day. On 14 November 2016, this court verbally ordered the Government to provide the requested system by 1 December 2016. Pursuant to the Rules for Courts-Martial, it is hereby ORDERED:

The Government will provide the Defense Case Logistix e-discovery software, all hardware required for an independent network, an Information Processing System (IPS) container, and high security locks by 1 December 2016.

ORDERED, this 18th day of November 2016.
