SUBJECT: Distinctive Insignia for the 7278th GU Transportation Terminal
Command (NRAC)

THRU: Chief of Transportation
Washington 25, D. C.
Attn: TWOOD

TO: Commanding Officer
7278th GU Transportation
Terminal Command (NRAC)
APO 862, New York, New York

1. The following distinctive insignia is approved for the 7278th GU
Transportation Terminal Command (NRAC):

On a roundel per quarter brick red and argent, a
roundel Barry wavy of the last and azure (light blue).

The four sections of the larger disc represent the
four Arctic seasons through which the 7278th Command
operates. The two sections in Transportation Corps'
color, brick red, symbolize summer and fall; the
two in white alluding to snow, winter, and spring.
The wavy bands of blue and white on the smaller
disc represent the gigantic expanse of open water
within the zone served by the Command.

2. The painting to be used by the manufacturer of this insignia is
inclosed.

3. The distinctive insignia for wear upon the uniform will be manu-
factured in gold color metal and hard fired enamel in one size, as shown
by the painting. Two exact samples of the distinctive insignia are to be
submitted by the organization for approval by this Office before the manu-
facturer completes the order of the insignia. The approved painting of
the distinctive insignia is to be returned with the samples for the records
of the Office of The Quartermaster General.
