MEMORANDUM FOR Commander, 410th Hospital Center, ATTN: LTC Melissa Wardlaw, 2118 Annapolis Road, Fort Meade, MD 20755-5347

SUBJECT: Distinctive Unit Insignia for the 410th Hospital Center

1. A distinctive unit insignia (DUI) is authorized effective 16 September 2017 for the 410th Hospital Center. The description and symbolism of the design are as follows:

DESCRIPTION

On a demi oval shaped silver metal and epoxied device 1 1/8" (2.86cm) in height blazoned as follows: Quarterly Argent and Murrey, a cross counterchanged. Behind the shield a cross trefly quartered Argent and Murrey. Attached below the shield, a black scroll inscribed "**INTENTUS AUXILIUM**" in Silver.

SYMBOLISM

The quartered cross trefly is adapted from the Maryland state flag, in tribute to the unit's location at Fort Meade. The cross is indicative of medical aid, and it's counterchanging of the field alludes to the integration and support of Fort Meade and beyond. The motto "**INTENTUS AUXILIUM**" translates to "Determined Help". The colors White and Maroon are associated with the Army Medical Corps.

2. Enclosed for your use and retention is a copy of the actual size color print of the approved DUI. The DUI is a quality-controlled heraldic item and may not be procured until the development samples are approved by this Institute. You will be notified when development has been completed, normally within 90 days.

3. This authorization is in accordance with AR 670-1 and Headquarters, U.S. Army Reserve Command, Permanent Order F-257-006, dated 13 September 2016. A copy of this letter will become part of your permanent organizational history files.
